Hi Cobie and Eddie

Please find attached the agreement.

I apologise for taking a day or two longer but we got an opportunity in George, Western Cape and I left on Thursday morning and have driven 1968km to conclude George and Hermanus in 2 days.

We are super excited to partner up with you and your family and we hope our deal provides a better alternative for you and also provides a foundation for bigger things to come for you.

We like to keep agreements as short as possible without 20 pages of legal gibberish.

Please call me on 0686373249 if anything is confusing or you want clarity on.
